Design Experience

UI/UX Designer

Tandem

Sept. 2025–Dec. 2025

Childcare Scheduling App

- Conducted user research through interviews and observations to define target user needs and pain points
- Created high-fidelity wireframes in Figma, progressing to interactive prototypes that demonstrated key user journeys
- Facilitated user testing sessions and synthesized feedback to iterate on prototypes and improve usability
- Created business cards inline with the apps branding

UI/UX Designer/Frontend Developer

Paramore E-Magazine

Oct. 2025–Dec. 2025

- Created high-fidelity wireframes in Figma, following user workflow
- Created assets in Photoshop and Illustrator in theme with the styleguide
- Using Next.js, implemented assets and animations for interactivity

Education

Digital Design and Development Diploma

British Columbia Institute of Technology

Sept. 2024–June 2026

- Works in over 5 different cross-functional teams to complete several projects
- Design, iterate wireframes, prototype and developed 4 functioning web/app layouts
